APPLICATION FOR ZONING BYLAW AMENDMENT

Ontario Regulation 545/06 Planning Act, R.S.O. 1990 as amended

The attached application form has been prepared to collect information required to process an application for a Zoning Bylaw Amendment. We want to make this process as user-friendly as possible. Provincial regulations, however, require that we ensure your application is complete before it is accepted. If this application is signed by an agent or applicant on behalf of the owner, THE WRITTEN AUTHORIZATION (attached to application) BY ALL REGISTERED OWNERS MUST accompany the application. If the owner/applicant is a corporation, acting without agent or solicitor, the application must be signed by an officer of the corporation and the corporation's seal (if any) should be affixed. The words, "I have authority to bind the Corporation" may be printed under the signing officer's name instead of affixing the corporate seal.

You are advised to have the [Planning Department](#) for the Township of Ramara provide you with the relevant Zoning and Official Plan information. If the proposed development does not conform to the Official Plan for the Township of Ramara, an application for an amendment to the Official Plan should be submitted so they can be considered concurrently. THE TOWNSHIP OF RAMARA DOES NOT ASSUME RESPONSIBILITY FOR IDENTIFYING ALL DEFICIENCIES.

TO GET STARTED YOU WILL NEED:

Applicable Application Fee:

Refer to the [Planning Fees Bylaw](#) Establishing a Tariff of Fees for the Processing of Planning Applications

Completed Application Form:

- Including sworn affidavit signed by all registered owners stating that the information provided in the application and on the required sketch is true or alternatively, written authorization given by all registered owners for another individual to sign on their behalf. Commissioners for the Taking of Oaths are available at the Township of Ramara Administration Centre.
- **ONE** copy of a sketch (not larger than 8 ½" x 14") drawn to scale, including all dimensions of both the severed and retained parcels, or a survey of the subject lands (sample sketch and requirements included in application form). Make a clear distinction of the portion of property subject to the Zoning Bylaw Amendment application if application is not relevant to entire property.
- Once the application has been accepted with full payment and a file number has been assigned, a photocopy of the application will be provided upon request.

Public Meeting Sign:

The required Public Meeting sign will be prepared by Township staff and provided to you once the date of the meeting has been decided. The sign must be posted on the subject lands in a visible location from the street. The sign is a required form of notification according to Ontario Regulation 545/06 as amended. *Failure to post the sign will result in delays.*

Once the application has been received by the municipality and deemed a complete application, it will be circulated to the appropriate departments and agencies for comment. A Public Meeting of Council will be scheduled accordingly. All comments, concerns, and submissions received at the Public Meeting will be considered, and the Township's Planning Department will work with the applicants in an attempt to resolve any issues. Once all issues have been satisfied, a further recommendation will be submitted to Council, to consider the adoption of the proposed Bylaw Amendment.

If the Council of the Township of Ramara passes a Zoning Amendment Bylaw, a Notice of Passing will be given no later than 15 days after the day the bylaw is passed in the manner and form and to the persons and public bodies as prescribed. No later than 20 days after the day that the Notice of Passing was given, an appeal to the Ontario Land Tribunal (OLT) may be submitted setting out the objection to the bylaw and the reasons in support of the objection, accompanied by the prescribed fee by any of the following parties:

- The applicant
- A person or public body, who before the bylaw was passed, made oral submissions at a public meeting or written submissions to the Council of the Township of Ramara.
- The Minister

If no Notice of Appeal is received within the required 20 days, the bylaw shall be deemed to have come into force on the day it was passed.

SUPPORTING MATERIAL TO BE SUBMITTED BY THE APPLICANT

In order for your application to be considered complete, a sketch drawn to scale in metric units must be included as part of this application which shows:

- a) The boundaries and dimensions of any land abutting the subject land that is owned by the owner of the subject land.
- b) The approximate distance between the subject land and the nearest Township of Ramara lot line or landmark such as a bridge or railway crossing.
- c) The boundaries and dimensions of the subject land, the part that is intended to be severed and the part that is intended to be retained - in metric units.
- d) The approximate location of all natural and artificial features (for example: buildings, railways, roads, watercourses, drainage ditches, banks of rivers or streams, wetlands, wooded areas, wells and septic tanks) that are located on the subject land and on land that is adjacent to it and in the applicant's opinion, may affect the application
- e) The current uses of land that is adjacent to the subject land (for example: residential, agricultural or commercial).
- f) The location and name of any roads within or abutting the subject land, indicating whether it is an unopened road allowance, a public travelled road, a private road or right of way.
- g) If access to the subject land is by water only, the location of the parking and boat docking facilities to be used.
- h) The location and nature of any easement affecting the subject land.
- i) Location, size, height and type of all existing and proposed buildings or structures on the severed or retained lands, including the distance of the buildings or structures from front yard lot line, rear yard lot line and side yard lot lines.
- j) The location, size and distance to buildings and property lines of any existing sewage system treatment units (septic tanks) and distribution piping (septic beds) on the lot to be created and/or retained.
- k) Include a key map showing the location of the subject lands.

****If other documentation/supporting material becomes necessary, you will be contacted and this information must be submitted prior to your application proceeding.***

If the application would permit development on privately owned and operated individual or communal septic systems, and more than 4500 litres of effluent would be produced per day as a result of the development being completed,

- (a) a servicing options report; and
- (b) a hydrogeological report.

LAKE SIMCOE REGION CONSERVATION AUTHORITY

If the property subject to the Zoning Bylaw Amendment Application has been determined to be within a regulated area of the Lake Simcoe Region Conservation Authority or subject to the Lake Simcoe Protection Plan, please be advised that under *The Planning Act* the application must be circulated to the Authority for comments.

Maps to determine if your property is regulated can be found on the LSRCA website at www.lsrca.on.ca

It will be determined by the authority if a permit under Ontario Regulation 179/06 will be required.

All planning applications submitted to the Lake Simcoe Region Conservation Authority are subject to the [Fee Schedule](#) review fees as per the Planning and Development Fees Policy.
