Assessment Roll Policy

It is the Township of Ramara's policy to make available to the public the current year Assessment Roll Records for viewing during regular business hours.

The public may write down any information that they require but we cannot provide photocopies due to copyright laws. The owner's name, mailing address, civic address, lot size and legal, and the property assessment are available in the assessment roll book.

Municipal Staff will assist the public in finding properties on the maps and in the assessment roll books, but will not assist by performing name searches unless required to do so by law.

We do not disclose tax account balance information due to the Municipal Freedom of Information and Protection of Privacy Act. This is only accessible to the property owner as it is considered personal information.
