## INSTRUCTIONS TO BIDDERS

### i. DEFINITIONS

The following definitions apply to the interpretation of the Request for Quotation;

1. **“Bidder”** means a person or entity that is submitting a tender in response to the Tender Process.
2. **“Constructor”** means the successful person or company engaged in the construction business.
3. **“Contract”** means an agreement to be signed between the Owner and a successful bidder pursuant to the tender process.
4. **“Contractor”** means the successful bidder pursuant to the tender process that has extended a contract.
5. **“Contract Administrator”** means a person authorized or appointed by the Township to act on behalf of the Owner in any particular capacity.
6. **“Closing Time”** Time and Date of Tenders has the meaning ascribed thereto in section ii of these instructions to bidders.
7. **“OPS”** means the current Ontario Provincial Standards published by the Ontario Standards organization.
8. **“Start Work Order”** means the document in writing, referred to in the tender, form that is issued by the Deputy Manager of Infrastructure or the Engineer that authorizes the Contractor to begin the work.
9. **“Tender”** means the tender documents issued by the Owner in respect of a specific opportunity and also refers to the documents submitted by a bidder in response to this tender process.
10. **“Tender Documents”** means the documents listed in section iii of these Instructions to Bidders.
11. **“Work”** means the work to be performed by a Contractor pursuant to a Contract issued as a result of this tender as described in the Contract Documents and includes, but is not limited to, the work generally described in Section ii of these Instructions to Bidders.
12. **“Director of Infrastructure”** means the Director of Infrastructure for the Township of Ramara or such other person, partnership or corporation as may be authorized by the Council to act on their behalf in any particular capacity.

## ii. GENERAL OVERVIEW

### 1. SCOPE

The supply and application of hot mix asphalt patching at various locations throughout the Township.

### 2. FORM OF QUOTE

All quotations must be on the forms provided, clearly marked with "Hot Mix Asphalt Patching"

### 3. QUOTATION DEPOSIT

A certified cheque made payable to the Township of Ramara in the amount of 10% of the total quoted price must be submitted with the quotation. The cheque of the unsuccessful bidders will be returned within 7 days of the quotation acceptance. The cheque of the successful bidder will be retained until the Township accepts the work. If tender is being submitted electronically a copy of the certified check shall be attached to the bid package and once the tender is awarded the successful biller shall supply the certified cheque to the Township prior to commencing work.

### 4. FREEDOM OF INFORMATION

All submissions to the Township become the property of the Township and such are subject to the "*Municipal Freedom of Information and Protection of Privacy Act.*"

### 5. BRIBERY/FRAUD

Should any bidder or any of their agents give or offer any gratuity or attempt to bribe any employee of The Township, or to commit fraud, the Township shall be at liberty to cancel the prospective bidder's submission or contract.

### 6. PURCHASING PREFERENCE

No preference will be given to any business for goods and/or services provided to the Township

### 7. INSURANCE

The Successful bidder(s) shall maintain and pay for Comprehensive General Liability Insurance with an insurer acceptable to the Township. The coverage shall include premises and all operations liability to be performed by the bidder. This insurance coverage shall be subject to limits of not less than **Five Million Dollars**

**(\$5,000,000.00)** inclusive **per occurrence** for bodily injury, death and damage to property including loss of use thereof for any one occurrence.

The policy shall include **The Corporation of the Township of Ramara** as an additional insured in respect of all operations performed by or on behalf of the Bidder. The Bidder(s) shall be entirely responsible for the cost of any deductible that is maintained in any insurance document.

The Insurance Policy shall not be altered, canceled or allowed to expire or lapse, without thirty (30) days prior written notice to the Township.

The Liability Insurance shall not contain any exclusion of limitations in respect of shoring, underpinning, rising or demolition of any building or structure, pile driving, caisson work, collapse of any structure or land from any cause.

Where applicable the bidder(s) shall carry standard automobile and non-owned automobile liability insurance and shall protect them against all liability arising out of the use of owned or leased vehicles, used by the Bidder(s), its employees or agents. The limits of the liability for both owned and non-owned vehicles shall not be less than **Two Million Dollars (\$2,000,000.00)** per occurrence.

## **8. WORKPLACE SAFETY AND INSURANCE BOARD (WSIB)**

The successful bidder(s) shall supply a Certificate from the Workplace Safety and Insurance Board prior to the start of the contract indicating that all of the assessments the bidder(s) or subcontractor(s) is liable to pay under *Worker's Safety Insurance Board Act* or successor legislation have been paid and they are in good standing with the Board.

Effective January 1 2013, Bill 119 legislates that all Contractors and Sub-Contractors categorized under class G: construction, shall have WSIB account and clearance coverage prior to commencing any contract.

Alternatively, if the successful Bidder(s) is an Independent Operator and is not categorized under Class G: Construction, the Bidder(s) shall submit a letter, from the WSIB, confirming that s/he has Independent Operator Status under the WSIB Act for work to be carried out for the Township of Ramara. If the Bidder(s) does not have Independent Operator Status, the Bidder shall;

- I. Complete an Independent Operator Status Questionnaire upon being awarded the contract; and,
- II. Fund all costs associated with any appeal of a determination by WSIB that the Bidder is not an Independent Operator; and,

- III. Provide proof of Employer's Liability Insurance (provided either by WSIB or the Contractor's insurance provider.

The Bidder(s) acknowledges and agrees that the Township is not hiring an employee(s) to perform the work associated with this Tender. As such the Township reserves the right to terminate all Contracts associated with this Tender if all appeals have been exhausted and the bidder(s) are determined by WSIB or court or tribunal of competent jurisdiction to be an employee. Any and all monies to be paid to the bidder(s) shall be returned regardless of the extent of work that has been completed to that point, and all material and documents associated with the Tender, as well as Township property, shall be returned to the Township. The bidder(s) acknowledges and agrees that any work completed to the date the appeal process has been completed, and an unfavorable determination is made will be provided to the Township for free and without any expectation of compensation. The risk associated with completing any work while there is an appeal process underway is entirely born by the bidder(s).

## 9. TRAFFIC CONTROL

The Contractor shall control traffic in accordance with Book 7, Temporary Conditions Ontario Traffic Manual, by the Ministry of Transportation, as published by the University of Toronto Press, with attention to the following conditions.

- The Contractor shall maintain two-way traffic on the road at all times, during construction, except in the immediate vicinity of the Contractor's operation.
- During working hours a single lane operation may be permitted, with the Director of Transportation Maintenance and Construction's approval, provided the traffic is controlled by trained traffic control persons.
- The Contractor shall provide for vehicle movement from all houses and businesses, churches, etc., which presently have access along the line of construction.
- The Contractor shall provide for pedestrian movements from all houses and businesses who presently have access along the line of construction.
- Construction Signs
  - a) The Contractor shall supply, place and maintain all barricades, warning signs, delineators and flashing lights necessary for the protection of public and the work, including warning signs of construction operations maintained at both ends of the Contract, for the duration of the Contract, in accordance with the Traffic Control Manual for Roadway Work Operations, Ministry of Transportation of Ontario.

- b) The cost of all signs, barricades, flashers, safety fencing and traffic control persons shall be at no additional cost to the Township.
- c) The contractors shall supply signs with High Intensity Grade Reflective Sheeting Warning Signs: All Warning Signs and Temporary Condition Signs.
- d) All signs, flashers, barricades and delineators shall be cleaned and maintained throughout the duration of the Contract at the Contractor's expense. Any damage to the new surface during the curing period done by traffic or the contractor's equipment will be repaired at the contractor's expense.

## **10. UNDERGROUND LOCATES**

It is the Contractor's responsibility to obtain underground locates if required.

## **11. ACCESSIBILITY**

The Bidder(s) shall comply with the provisions of the *Accessibility for Ontarians with Disabilities Act 2005*, S.O. 2005, chapter 11 and the Regulations with regard to provision of the goods and/or services contemplated herein, including, without limitation, section 6 of Ontario Regulation 429/07, Accessibility Standards for Customer Service, as amended. The Bidder(s), when applicable, shall ensure that its employees, agents, volunteers and representatives receive training regarding the provision of the goods and services to person with disabilities. The Bidder(s) acknowledges that the Corporation of the Township of Ramara, in deciding to purchase goods or services through its procurement process, is required to consider the accessibility for persons with disabilities, when applicable and practical to do so.

## **12. HEALTH & SAFETY**

All work performed under this contract must be carried out in accordance with the terms and conditions of the Ontario Occupational Health and Safety Act (OHSA or the Act), applicable Regulations, applicable standards, and other applicable legal requirements.

Unless otherwise stated, the successful bidder, for the purposes of the Act, shall be designated as the 'Constructor' for this project. The constructor has complete control of the work on behalf of the Township and is responsible for regulatory compliance and safe work procedures on the job site.

Any requirement for a Notice of Project to be submitted to the Ministry of Labour (MOL) is the sole responsibility of the constructor.

The Constructor further acknowledges and agrees that any breach or breaches of the Occupational Health and Safety Act, applicable Regulations, Standards, Environmental

Protection Act, other legal requirements ,and/or their own Health & Safety Policies and Procedures whether by the Constructor or any of its subcontractors may result in:

- The termination of the contract,
- The immediate removal of the Constructor and/or sub-contractor's equipment from the site,
- The forfeiture of all sums owing the constructor/or sub-contractor by the Township Of Ramara

The Constructor's health and safety responsibilities will include the following:

- where hazardous materials, physical agents and/or designated substances are used in the performance of the required work, the successful bidder shall ensure that the requirements of the Occupational Health and Safety Act, applicable Regulations and environmental requirements are complied with,
- ensure workers are aware of the hazardous substances that may be in used at the workplace,
- ensure workers are provided with and wear the appropriate personal protective equipment required for the area when engineering controls aren't practicable,
- demonstrate the establishment and maintenance of health and safety program, with objectives and standards and will provide qualified workers and meet all applicable legislation,
- The Constructor acknowledges that they are familiar with the Occupational Health and Safety Act, applicable Regulations, applicable Standards and other legal requirements that applies to the work being conducted,
- The Contractor covenants and agrees to observe strictly and faithfully the provisions of the Occupational Health and Safety Act, applicable Regulations, and rules circulated there under together with the Constructor's Health and Safety Policies and Procedures.
- The Constructor agrees to indemnify and save the Township of Ramara harmless for damages or fines arising from any breach or breaches of the said Occupational Health and Safety Act and other applicable legal requirements.
- The Constructor agrees to have a competent supervisor on site at all times when work is in progress, and that this supervisor enforces safe work practices.
- The Constructor shall allow access to the work site on demand to representatives of the Township of Ramara to inspect work sites.
- The Constructor agrees that any damages or fines that may be assessed against the Township of Ramara by reason of a breach or breaches of the Occupational Health and Safety Act and applicable Regulations by the

Constructor or any of its sub-contractors will entitle the Township of Ramara to off-set the damages so assessed against any monies that the Township of Ramara may from time to time owe the Constructor under this contract or under any other contract whatsoever.

- Where any portion of the work or services in this Contract is contracted to a sub-contractor, the Constructor agrees that the provisions of this section (**12. Health & Safety**) will apply to the subcontractor and the Constructor will enforce said provisions.
- The Township of Ramara may consider previous OSHA violations as grounds for rejection and the Township of Ramara may terminate any contract arising from this document if the Bidder is continuously in violation of OSHA requirements.

Proof of the above may be required by the Township at any time from tendering to project completion.

### **13. ASSIGNMENT OF CONTRACT**

The successful Bidder(s) shall not assign transfer, convey, sublet or otherwise dispose of this contract or his/her right, title or interest therein, or his/her power to execute such contract, to any other person, company or City, without the previous consent, in writing, of the Township's officials, which consent shall not be unreasonably withheld.

### **14. SPECIFICATIONS**

- a. 50 mm HL-4 hot mix asphalt is to be supplied and placed at various locations throughout the Township as directed by the Director of Infrastructure or their designate.
- b. No asphalt overlay shall be placed on damp or wet surfaces.
- c. All Hot mix asphalt patches shall be placed in conformance with OPSS 310.
- d. In most instances the Township will batch jobs together for the contractor's convenience.

### **15. GUARANTEED MAINTENANCE/WARRANTY**

The finished product shall be warranted, covering all Contractor supplied materials and workmanship for a period of one (1) year from the date of final acceptance of the Work.

The Contractor will be required to make permanent repairs, satisfactory to the Township, for any area identified as being deficient due to materials or workmanship used in the Works at the sole discretion of the Owner.

Should the Contractor fail to comply with the required repairs, the Owner may, after providing the Contractor fourteen (14) calendar day's written notice, take such measures, as the Owner deems necessary to have the repairs completed.

Any repair work shall be completed prior to the end of the warranty period.

## **16. COMPLETION**

Time shall be of the essence of this agreement.

## **17. WEIGHING**

Weighing shall be carried out in accordance with the Ministry of Transportation Form 502, current at the time of this quotation. Copies of MTO Form 502 are available upon request from the MTO District office.

## **18. DAMAGE BY VEHICLES AND OTHER EQUIPMENT**

If at any time, in the opinion of the Director of Infrastructure or their designate, damage is being done or is likely to be done to any highway or any improvement thereon, other than such portions as are part of the work by the Contractor's vehicles or other equipment whether licensed or unlicensed, the contractor shall, on the direction of the Director of Infrastructure and at the Contractor's own expense, make changes in or substitutions for such vehicles or other equipment or shall alter loadings or shall in some other manner remove the cause of such damage to the satisfaction of the Director of Infrastructure, including re-routing haul routes.

## **19. LOADING OF MOTOR VEHICLES**

Where a vehicle is hauling material for the use on the specified work, in whole or in part upon a public highway and where motor vehicle registration is required for such vehicle, the contractor shall not cause or permit such vehicle to be loaded beyond its legal limit as specified in the Highway Traffic Act, whether such vehicle is registered in the name of the contractor or otherwise.

## **20. AWARD OF QUOTATION**

The award of the tender will take the following into consideration:

- a. Expertise;
- b. Access to equipment possessing the required safety devices to conform to all regulations
- c. Availability;
- d. Reliability;
- e. Past Performance; and,
- f. Price.

## **21. HIGHWAY TRAFFIC ACT**

The Bidder(s) of any equipment being used under hire by the Township shall be responsible to ensure the equipment is in full compliance of all statues of the Highway Traffic Act, R.S.O. 1990.

## **22. WORKING AROUND RAILWAYS**

The Contractor shall be responsible for contacting the appropriate railway agency to arrange for flagperson, protection, clearance, etc. before working on or in the immediate vicinity of the railway tracks or right of way. The Contractor should give enough warning to the agency (usually 48 hours) prior to the commencement of work, on or near the railway. No work shall be done in these areas without clearance from the railway authority.

## **23. PRICING AND PAYMENT**

Payment at the contract price shall be compensation in full for the supply of all labor, equipment and materials necessary to complete the work to the satisfaction of the Director of Infrastructure upon submission of invoice after completion.

Each Asphalt Patch will be invoiced separately and paid upon submission of invoice after completion.

## **24. HOURS OF WORK**

Spreading will only take place between the hours of 7:30 am and 5:00 pm., Monday to Thursday, at the discretion of the Director of Infrastructure, or their designate. If the Contractor wishes to extend the normal working hours, all overtime expenses incurred by the Township will be reimbursed by the Contractor.

## **25. TERM OF QUOTATION**

The term of this quotation will be for 2 years, commencing upon the Township's acceptance and end April 30<sup>th</sup>, 2024.

## **26. QUALIFICATIONS**

The successful Bidder shall be a company of recognized standing at least five (5) years' experience in this type of work and have the necessary equipment and skilled labor to carry out the work adequately.

## **27. CONDITIONS**

The Contractor has carefully examined the provisions, plans, specifications and conditions attached to this quotation and had carefully examined the site and location of the work to be done and the Contractor understands and accepts the said provisions, plans, specifications and conditions and, for the prices set forth in this tender, hereby offers to furnish all machinery, tools, apparatus and other means of construction, furnish all materials except as otherwise specified and to complete work in strict accordance with the provisions, plans, specifications and conditions attached to this quotation.

---
