INSTRUCTIONS TO BIDDERS

i. DEFINITIONS

The following definitions apply to the interpretation of the Request for Quotation;

1. **“Bidder”** means a person or entity that is submitting a tender in response to the Tender Process.
2. **“Constructor”** means the successful person or company engaged in the construction business.
3. **“Contract”** means an agreement to be signed between the Owner and a successful bidder pursuant to the tender process.
4. **“Contractor”** means the successful bidder pursuant to the tender process that has extended a contract.
5. **“Contract Administrator”** means a person authorized or appointed by the Township to act on behalf of the Owner in any particular capacity.
6. **“Closing Time”** Time and Date of Tenders has the meaning ascribed thereto in section ii of these instructions to bidders.
7. **“OPS”** means the current Ontario Provincial Standards published by the Ontario Standards organization.
8. **“Start Work Order”** means the document in writing, referred to in the tender, form that is issued by the Contract Administrator or the Engineer that authorizes the Contractor to begin the work.
9. **“Tender”** means the tender documents issued by the Owner in respect of a specific opportunity and also refers to the documents submitted by a bidder in response to this tender process.
10. **“Tender Documents”** means the documents listed in section iii of these Instructions to Bidders.
11. **“Work”** means the work to be performed by a Contractor pursuant to a Contract issued as a result of this tender as described in the Contract Documents and includes, but is not limited to, the work generally described in Section ii of these Instructions to Bidders.
12. **“Director of Infrastructure”** means the Director of Infrastructure for the Township of Ramara or such other person, partnership or corporation as may be authorized by the Council to act on their behalf in any particular capacity.

ii. GENERAL OVERVIEW

1. SCOPE

The purpose of this tender is to solicit bids from qualified contractors to;

- Pulverize to a depth of 150mm, Grade and compact the granular material then repave the surface with a compacted 60mm lift of HL4 Hot mix at 2 locations. Switch Road (8,710 SqM) and Canal Road (21,000 SqM).
- Fine grade and compact granular material prior to applying a Double lift of compacted 60mm HL4 Hot Mix on Concession Road 3 (1,750 SqM)
- Partial Pulverization to a depth of 150mm (3170 SqM), Grade and compact the granular material then repave the surface with a compacted 60mm lift of HL4 Hot mix on Paradise Boulevard (7,100 SqM).

2. FORM OF QUOTE

All quotations must be on the forms provided, clearly marked with “2022 Hot Mix Paving”

3. QUOTATION DEPOSIT

A certified cheque made payable to the Township of Ramara in the amount of 10% of the total quoted price must be submitted with the quotation. The cheque of the unsuccessful bidders will be returned within 7 days of the quotation acceptance. The cheque of the successful bidder will be retained until the Township accepts the work. If tender is being submitted electronically a copy of the certified check shall be attached to the bid package and once the tender is awarded the successful biller shall supply the certified cheque to the Township prior to commencing work.

4. EXAMINATION OF THE SITES

Tenderers must satisfy themselves by personal examination as to the local conditions and shall make their own estimate of the facilities and difficulties to be encountered. Claims at any time after submission of the tender that there was a misunderstanding with respect to the conditions imposed by the Contract, will not be accepted.

5. FREEDOM OF INFORMATION

All submissions to the Township become the property of the Township and such are subject to the *“Municipal Freedom of Information and Protection of Privacy Act.”*

6. BRIBERY/FRAUD

Should any bidder or any of their agents give or offer any gratuity or attempt to bribe any employee of The Township, or to commit fraud, the Township shall be at liberty to cancel the prospective bidder's submission or contract.

7. PURCHASING PREFERENCE

No preference will be given to any business for goods and/or services provided to the Township

8. INSURANCE

The Successful bidder(s) shall maintain and pay for Comprehensive General Liability Insurance with an insurer acceptable to the Township. The coverage shall include premises and all operations liability to be performed by the bidder. This insurance coverage shall be subject to limits of not less than **Five Million Dollars (\$5,000,000.00) inclusive per occurrence** for bodily injury, death and damage to property including loss of use thereof for any one occurrence.

The policy shall include **The Corporation of the Township of Ramara** as an additional insured in respect of all operations performed by or on behalf of the Bidder. The Bidder(s) shall be entirely responsible for the cost of any deductible that is maintained in any insurance document.

The Insurance Policy shall not be altered, canceled or allowed to expire or lapse, without thirty (30) days prior written notice to the Township.

The Liability Insurance shall not contain any exclusion or limitations in respect of shoring, underpinning, rising or demolition of any building or structure, pile driving, caisson work, collapse of any structure or land from any cause.

Where applicable the bidder(s) shall carry standard automobile and non-owned automobile liability insurance and shall protect them against all liability arising out of the use of owned or leased vehicles, used by the Bidder(s), its employees or agents. The limits of the liability for both owned and non-owned vehicles shall not be less than **Two Million Dollars (\$2,000,000.00) per occurrence**.

9. WORKPLACE SAFETY AND INSURANCE BOARD (WSIB)

The successful bidder(s) shall supply a Certificate from the Workplace Safety and Insurance Board prior to the start of the contract indicating that all of the assessments the bidder(s) or subcontractor(s) is liable to pay under *Worker's Safety Insurance Board Act* or successor legislation have been paid and they are in good standing with the Board.

Effective January 1 2013, Bill 119 legislates that all Contractors and Sub-Contractors categorized under class G: construction, shall have WSIB account and clearance coverage prior to commencing any contract.

Alternatively, if the successful Bidder(s) is an Independent Operator and is not categorized under Class G: Construction, the Bidder(s) shall submit a letter, from the WSIB, confirming that s/he has Independent Operator Status under the WSIB Act for work to be carried out for the Township of Ramara. If the Bidder(s) does not have Independent Operator Status, the Bidder shall;

- I. Complete an Independent Operator Status Questionnaire upon being awarded the contract; and,
- II. Fund all costs associated with any appeal of a determination by WSIB that the Bidder is not an Independent Operator; and,
- III. Provide proof of Employer's Liability Insurance (provided either by WSIB or the Contractor's insurance provider.

The Bidder(s) acknowledges and agrees that the Township is not hiring an employee(s) to perform the work associated with this Tender. As such the Township reserves the right to terminate all Contracts associated with this Tender if all appeals have been exhausted and the bidder(s) are determined by WSIB or court or tribunal of competent jurisdiction to be an employee. Any and all monies to be paid to the bidder(s) shall be returned regardless of the extent of work that has been completed to that point, and all material and documents associated with the Tender, as well as Township property, shall be returned to the Township. The bidder(s) acknowledges and agrees that any work completed to the date the appeal process has been completed, and an unfavorable determination is made will be provided to the Township for free and without any expectation of compensation. The risk associated with completing any work while there is an appeal process underway is entirely born by the bidder(s).

10. TRAFFIC CONTROL

The Contractor will be responsible for all traffic control and will supply all traffic control devices as outlined in the Correct Methods for Traffic Control pamphlet issued by the Construction Safety Association of Ontario, and will comply with, Ministry of Transportation and Township Bylaws,

The Contractor will be responsible to coordinate with CN Rail to have rail flaggers on site for the paving at the tracks.

Freshly applied Hot Mix shall be protected to prevent vehicles from unnecessarily crossing or stopping. The Contractor shall be fully responsible for any and all damages caused by their operations to public or private property, and shall, at their own cost reinstate fully or compensate all such damages.

11. UNDERGROUND LOCATES

The Contractor will be responsible to arrange locates.

12. ACCESSIBILITY

The Bidder(s) shall comply with the provisions of the *Accessibility for Ontarians with Disabilities Act 2005*, S.O. 2005, chapter 11 and the Regulations with regard to provision of the goods and/or services contemplated herein, including, without limitation, section 6 of Ontario Regulation 429/07, Accessibility Standards for Customer Service, as amended. The Bidder(s), when applicable, shall ensure that its employees, agents, volunteers and representatives receive training regarding the provision of the goods and services to person with disabilities. The Bidder(s) acknowledges that the Corporation of the Township of Ramara, in deciding to purchase goods or services through its procurement process, is required to consider the accessibility for persons with disabilities, when applicable and practical to do so.

13. HEALTH & SAFETY

All work performed under this contract must be carried out in accordance with the terms and conditions of the Ontario Occupational Health and Safety Act (OHSA or the Act), applicable Regulations, applicable standards, and other applicable legal requirements.

Unless otherwise stated, the successful bidder, for the purposes of the Act, shall be designated as the 'Constructor' for this project. The constructor has complete control of the work on behalf of the Township and is responsible for regulatory compliance and safe work procedures on the job site.

Any requirement for a Notice of Project to be submitted to the Ministry of Labour (MOL) is the sole responsibility of the constructor.

The Constructor further acknowledges and agrees that any breach or breaches of the Occupational Health and Safety Act, applicable Regulations, Standards, Environmental Protection Act, other legal requirements, and/or their own Health & Safety Policies and Procedures whether by the Constructor or any of its subcontractors may result in:

- The termination of the contract,
- The immediate removal of the Constructor and/or sub-contractor's equipment from the site,
- The forfeiture of all sums owing the constructor/or sub-contractor by the Township Of Ramara

The Constructor's health and safety responsibilities will include the following:

- where hazardous materials, physical agents and/or designated substances are used in the performance of the required work, the successful bidder shall ensure that the requirements of the Occupational Health and Safety Act, applicable Regulations and environmental requirements are complied with,
- ensure workers are aware of the hazardous substances that may be in used at the workplace,
- ensure workers are provided with and wear the appropriate personal protective equipment required for the area when engineering controls aren't practicable,
- demonstrate the establishment and maintenance of health and safety program, with objectives and standards and will provide qualified workers and meet all applicable legislation,
- The Constructor acknowledges that they are familiar with the Occupational Health and Safety Act, applicable Regulations, applicable Standards and other legal requirements that applies to the work being conducted,
- The Contractor covenants and agrees to observe strictly and faithfully the provisions of the Occupational Health and Safety Act, applicable Regulations, and rules circulated there under together with the Constructor's Health and Safety Policies and Procedures.
- The Constructor agrees to indemnify and save the Township of Ramara harmless for damages or fines arising from any breach or breaches of the said Occupational Health and Safety Act and other applicable legal requirements.
- The Constructor agrees to have a competent supervisor on site at all times when work is in progress, and that this supervisor enforces safe work practices.
- The Constructor shall allow access to the work site on demand to representatives of the Township of Ramara to inspect work sites.
- The Constructor agrees that any damages or fines that may be assessed against the Township of Ramara by reason of a breach or breaches of the Occupational Health and Safety Act and applicable Regulations by the Constructor or any of its sub-contractors will entitle the Township of Ramara to off-set the damages so assessed against any monies that the Township of Ramara may from time to time owe the Constructor under this contract or under any other contract whatsoever.
- Where any portion of the work or services in this Contract is contracted to a sub-contractor, the Constructor agrees that the provisions of this section (**13. Health & Safety**) will apply to the subcontractor and the Constructor will enforce said provisions.

- The Township of Ramara may consider previous OHSA violations as grounds for rejection and the Township of Ramara may terminate any contract arising from this document if the Bidder is continuously in violation of OHSA requirements.

In the event of a site visit from the Ministry of Labour and in the event this Ministry of Labour person gives a written warning to any contravention to the Health and Safety Act. A written copy is to be given to the Township Of Ramara.

The Contractor shall supply a proof of Notice of Project to the Ministry of Labour.

Proof of the above may be required by the Township at any time from tendering to project completion.

14. ASSIGNMENT OF CONTRACT

The successful Bidder(s) shall not assign transfer, convey, sublet or otherwise dispose of this contract or his/her right, title or interest therein, or his/her power to execute such contract, to any other person, company or City, without the previous consent, in writing, of the Township's officials, which consent shall not be unreasonably withheld.

15. SPECIFICATIONS

i. LOCATIONS (Sq M are approximate)

- **Switch Road – From County Road 169 to McMillian Sideroad**
 - 1,300M x 6.7M - Approx. 8,710 SqM
 - Pulverize to a depth of 150 mm
 - Fine grade and compaction of granular road base
 - Single lift of HL4 Hot mix compacted to 60 mm.
 - Gravel Shoulder to match pavement 0.3 m in width.
- **Canal Road – White Elephant Bridge to Mara Eldon Boundary Road (300m section at Lift Lock to be omitted)**
 - 3,000 M x 6.7M - Approx. 21,000Sq Meters including Intersections
 - Pulverize to a depth of 150 mm
 - Fine grade and compaction of granular road base
 - Single lift of HL4 Hot mix compacted to 60 mm.
 - Gravel Shoulder to match pavement 0.3 m in width.
- **Concession Road 3 – From Highway 12 to Harrigan Drive.**
 - 250 M x 7 M
 - Fine grade and compaction of granular road base
 - Double lift of HL4 Hot mix, each lift compacted to 60 mm.
 - Gravel Shoulder to match pavement 0.3 m in width.

NOTE: CN Rail Crossing in this section of work.

- **Paradise Blvd – From Laguna Parkway to West End**
 - **1,020 M x 6.7 – Approx. 7,100 SqM including Intersections**
 - **Pulverize to a depth of 150 mm for 3,800 SqM (First section has been pulverized previously.)**
 - **Fine grade and compaction of granular road base**
 - **Single lift of HL4 Hot mix compacted to 60 mm.**
 - **Gravel Shoulder to match pavement 0.3 m in width.**

ii. **Specific Provisions**

Materials and Workmanship

Unless otherwise stated, all work and material supplied shall be, in accordance with the following provincial specifications.

Item	Specification
Material Specifications for HMA	OPSS.1150
Construction Specifications for HMA	OPSS.310
Performance Grade Asphalt Cement	OPSS.MUNI.1101
Construction Specification for Removal	OPSS.510
Construction Specifications for Grading	OPSS 206

iii. **General**

The Contractor shall be responsible for all phases of work including signing, and traffic control. It shall be the Contractor's responsibility under the items provided herein to complete the work except as specifically provided otherwise.

The quantities as set out in the Form of Tender – Bid Tables are approximate only and are given as a basis for estimating and comparing Tenders. Payment will be made on the final measured quantities.

Where any private or commercial entrance, parking area, boulevard, lawn etc. Is disturbed due to work under this contract it shall be restored to its original condition.

Preparation

Prior to paving, the Contractor shall carry out any preparatory work required including sweeping of debris off existing pavement.

The Contractor shall be responsible for saw cutting, excavation, removal and disposal of waste materials, as well as supply, placing, compacting, and setting of level course.

iv. Hot Mix Asphalt

The Performance Grade Asphalt Cement (PGAC) is to be 58-28

Asphalt Cement (AC) content to be a minimum of 5% by mass mixture.

Testing of asphalt shall be undertaken at the discretion of the Director of Infrastructure. The cost of testing shall be borne by the Township.

The Contractor shall be responsible for the quality and characteristics of the mixture, and if the hot mix produced is not suitable, hot mix production shall stop and appropriate corrections made to the process. When field testing for Marshall properties shows that the mix produced with the job mix formula does not meet the Marshall design requirements, the Contractor shall re-evaluate and redesign the mixture.

Existing pavements shall be saw cut smooth straight lines No separate payment will be made for sawing existing pavements. Ensure all loose material and debris including delaminated layers of asphalt are removed prior to tack coat and ensure sufficient overlap (approx. 50mm).

Crack sealing to be accomplished with hot rubberized sealant in clean, prepared cracks, applied at the manufacturers recommended temperature, maintaining optimal overlap of 2-3mm.

Final pavement to have minimum of 2% to 4% grade (cross fall)

v. Equipment

All equipment, tools and machines used in the performance of this work shall be maintained in satisfactory working condition subject to the approval of the Director of Infrastructure.

- vi. The successful Tenderer shall guarantee the work for a period of two years unless notified otherwise, from the date of completion thereof from deficiencies that, in the opinion of the Owner were caused by faulty workmanship or materials.

16. COMMENCEMENT AND COMPLETION

The Tenderer shall provide a timeline for starting and completing the work. All work must be completed within thirty (30) working days of commencement of the work.

All asphalt paving works shall be completed prior to winter freeze up.

17. MATERIAL SAFETY DATA SHEETS

A current **MATERIAL SAFETY DATA SHEET** is to be submitted with the quotation.

18. DAMAGE BY VEHICLES AND OTHER EQUIPMENT

If at any time, in the opinion of the Director of Infrastructure or her designate, damage is being done or is likely to be done to any highway or any improvement thereon, other than such portions as are part of the work by the Contractor's vehicles or other equipment whether licensed or unlicensed, the contractor shall, on the direction of the Director of Infrastructure and at the Contractor's own expense, make changes in or substitutions for such vehicles or other equipment or shall alter loadings or shall in some other manor remove the cause of such damage to the satisfaction of the Director of Infrastructure, including re-routing haul routes.

19. LOADING OF MOTOR VEHICLES

Where a vehicle is hauling material for the use on the specified work, in whole or in part upon a public highway and where motor vehicle registration is required for such vehicle, the contractor shall not cause or permit such vehicle to be loaded beyond its legal limit as specified in the Highway Traffic Act, whether such vehicle is registered in the name of the contractor or otherwise.

20. AWARD OF QUOTATION

The award of the tender will take the following into consideration:

- a. Expertise;
- b. Access to equipment possessing the required safety devices to conform to all regulations
- c. Availability;
- d. Past Performance; and,
- e. Price.

21. HIGHWAY TRAFFIC ACT

The Bidder(s) of any equipment being used under hire by the Township shall be responsible to ensure the equipment is in full compliance of all statutes of the Highway Traffic Act, R.S.O. 1990.

22. MEASUREMENT AND PAYMENT

Payment at the quoted price shall be paid upon submission of invoice after completion.

23. HOURS OF WORK

The Contractor will be allowed to carry out operations only during daylight hours between 7:00 a.m. and 5:00 p.m., Monday through Friday, except Statutory or Civic Holidays, unless otherwise approved or directed by the Director of Infrastructure.

24. TERM OF QUOTATION

The term of this quotation will be for the 2022 Roads Program.

25. QUALIFICATIONS

The successful Bidder shall be a company of recognized standing at least five (5) years' experience in this type of work and have the necessary equipment and skilled labor to carry out the work adequately.

26. CONDITIONS

It is agreed that the quoted quantities are estimated only and may be increased or decreased by the Township without alteration of the quoted price by 20 % of the total bid, Actual roads to be completed may change.

27. SUBMISSION FORMAT & CONTENTS

27.1 GENERAL FORMAT OF SUBMISSION

The Township **will not** accept any other format of the schedule I items Prices other than that provided within this Request for Quotation. Schedule I items and Prices are to be completed **in full** as provided in this document with no modifications, additions or deletions. **Failure to complete Schedule I as stipulated may result in disqualification of the bid submission.**

27.2 CONTENTS OF SUBMISSION

The Request for Quotation response submission should include the following information only and shall be submitted in the same sequence provided:

- I. **Completed Bidder Information Form**
- II. **Provide all mandatory information as requested within Schedule I**
- III. **Ensure Schedule I is initialed and dated**
- IV. **Completed Schedule II – Ability and Experience Form.**
- V. **Health and Safety:**
 - a. Provide a current and valid certificate of clearance from WSIB
 - b. Provide a current MSDS Sheet for all products quoted
- VI. **Provide a completed Declaration of Accessibility Compliance form.**
