## ii. GENERAL OVERVIEW

### SCOPE

The Township of Ramara requires the supply and application of hot mix asphalt surface treatment for various roads within the Township to complete its 2025 roads program. This will also include all necessary repairs, replacement and works, including saw cutting of roads to merge new sections to current sections, shouldering, transitions, etc.

### FORM OF TENDER

All quotations must be on the Bid Forms provided, clearly marked with **2025 Hot Mix Asphalt Surface Treatment**.

---

## **TENDER DEPOSIT**

No tender deposit is required for this project.

## **PUBLIC TENDER OPENING**

This tender shall be opened by a Tender Opening Committee. This meeting shall occur on Friday, October 3, 2025 at 11:00 AM, at the Township of Ramara Office, located at 2297 Highway 12, Brechin, Ontario.

## **FREEDOM OF INFORMATION**

All submissions to the Township become the property of the Township and such are subject to the *“Municipal Freedom of Information and Protection of Privacy Act.”*

## **BRIBERY/FRAUD**

Should any bidder or any of their agents give or offer any gratuity or attempt to bribe any employee of The Township, or to commit fraud, the Township shall be at liberty to cancel the prospective bidder's submission or contract.

## **PURCHASING PREFERENCE**

No preference will be given to any business for goods and/or services provided to the Township.

## **QUESTIONS AND ADDENDA**

All questions are to be sent via email to [clerks@ramara.ca](mailto:clerks@ramara.ca) and [infrastructure@ramara.ca](mailto:infrastructure@ramara.ca) and must be received by the deadline indicated on the cover page of this document. Indicate the tender number in the subject line of the email. Any questions received verbally will not be answered.

All questions, amendments to this tender, including additions and deletions shall be addressed by the issuance of addenda. Each addenda forms an integral part of the of the tender. Contractors are responsible for obtaining all addenda issued by the Township.

The Township and its advisers make no representation, warranty, or guarantee as to the accuracy of the information contained in this tender or issued by way of addenda. Any quantities shown or data contained in this tender or provided by way of addenda are estimates only and are for the sole purpose of indicating to proponents the general scale and scope of the Deliverables. It is the Contractor's responsibility to obtain all the information necessary to prepare a proposal in response to this tender.

## INSURANCE

The Successful Bidder(s) shall maintain and pay for Comprehensive General Liability Insurance with an insurer acceptable to the Township. The coverage shall include premises and all operations liability to be performed by the bidder. This insurance coverage shall be subject to limits of not less than **Five Million Dollars (\$5,000,000.00)** inclusive **per occurrence** for bodily injury, death and damage to property including loss of use thereof for any one occurrence.

The policy shall include **The Corporation of the Township of Ramara** as an additional insured in respect of all operations performed by or on behalf of the Bidder.

The Bidder(s) shall be entirely responsible for the cost of any deductible that is maintained in any insurance document.

The Insurance Policy shall not be altered, canceled or allowed to expire or lapse, without thirty (30) days prior written notice to the Township.

The Liability Insurance shall not contain any exclusion of limitations in respect of shoring, underpinning, rising or demolition of any building or structure, pile driving, caisson work, collapse of any structure or land from any cause.

Where applicable the bidder(s) shall carry standard automobile and non-owned automobile liability insurance and shall protect them against all liability arising out of the use of owned or leased vehicles, used by the Bidder(s), its employees or agents. The limits of the liability for both owned and non-owned vehicles shall not be less than **Two Million Dollars (\$2,000,000.00)** per occurrence.

## WORKPLACE SAFETY AND INSURANCE BOARD (WSIB)

The successful bidder(s) shall supply a Certificate from the Workplace Safety and Insurance Board prior to the start of the contract indicating that all of the assessments the bidder(s) or subcontractor(s) is liable to pay under *Worker's Safety Insurance Board Act* or successor legislation have been paid and they are in good standing with the Board.

Effective January 1, 2013, Bill 119 legislates that all Contractors and Sub-Contractors categorized under class G: construction, shall have WSIB account and clearance coverage prior to commencing any contract.

Alternatively, if the successful Bidder(s) is an Independent Operator and is not categorized under Class G: Construction, the Bidder(s) shall submit a letter, from the WSIB, confirming that s/he has Independent Operator Status under the WSIB Act for work to be carried out for

---

the Township of Ramara. If the Bidder(s) does not have Independent Operator Status, the Bidder shall.

- I. Complete an Independent Operator Status Questionnaire upon being awarded the contract; and,
- II. Fund all costs associated with any appeal of a determination by WSIB that the Bidder is not an Independent Operator; and,
- III. Provide proof of Employer's Liability Insurance (provided either by WSIB or the Contractor's insurance provider).

The Bidder(s) acknowledges and agrees that the Township is not hiring an employee(s) to perform the work associated with this Tender. As such the Township reserves the right to terminate all Contracts associated with this Tender if all appeals have been exhausted and the bidder(s) are determined by WSIB or court or tribunal of competent jurisdiction to be an employee. Any and all monies to be paid to the bidder(s) shall be returned regardless of the extent of work that has been completed to that point, and all material and documents associated with the Tender, as well as Township property, shall be returned to the Township.

The bidder(s) acknowledges and agrees that any work completed to the date the appeal process has been completed, and an unfavorable determination is made will be provided to the Township for free and without any expectation of compensation. The risk associated with completing any work while there is an appeal process underway is entirely born by the bidder(s).

## **ACCESSIBILITY**

The Bidder(s) shall comply with the provisions of the *Accessibility for Ontarians with Disabilities Act* 2005, S.O. 2005, chapter 11 and the Regulations with regard to provision of the goods and/or services contemplated herein, including, without limitation, section 6 of Ontario Regulation 429/07, Accessibility Standards for Customer Service, as amended. The Bidder(s), when applicable, shall ensure that its employees, agents, volunteers and representatives receive training regarding the provision of the goods and services to person with disabilities. The Bidder(s) acknowledges that the Corporation of the Township of Ramara, in deciding to purchase goods or services through its procurement process, is required to consider the accessibility for persons with disabilities, when applicable and practical to do so.

## **HEALTH & SAFETY**

All work performed under this contract must be carried out in accordance with the terms and conditions of the Ontario Occupational Health and Safety Act (OHSA or the Act), applicable Regulations, applicable standards, and other applicable legal requirements.

---

Unless otherwise stated, the successful bidder, for the purposes of the Act, shall be designated as the 'Constructor' for this project. The constructor has complete control of the work on behalf of the Township and is responsible for regulatory compliance and safe work procedures on the job site.

Any requirement for a Notice of Project to be submitted to the Ministry of Labour (MOL) is the sole responsibility of the constructor.

The Constructor further acknowledges and agrees that any breach or breaches of the Occupational Health and Safety Act, applicable Regulations, Standards, Environmental Protection Act, other legal requirements, and/or their own Health & Safety Policies and Procedures whether by the Constructor or any of its subcontractors may result in:

- The termination of the contract,
- The immediate removal of the Constructor and/or sub-contractor's equipment from the site,
- The forfeiture of all sums owing the constructor/or sub-contractor by the Township of Ramara.

The Constructor's health and safety responsibilities will include the following:

- where hazardous materials, physical agents and/or designated substances are used in the performance of the required work, the successful bidder shall ensure that the requirements of the Occupational Health and Safety Act, applicable Regulations and environmental requirements are complied with,
- ensure workers are aware of the hazardous substances that may be in used at the workplace,
- ensure workers are provided with and wear the appropriate personal protective equipment required for the area when engineering controls aren't practicable,
- demonstrate the establishment and maintenance of health and safety program, with objectives and standards and will provide qualified workers and meet all applicable legislation,
- The Constructor acknowledges that they are familiar with the Occupational Health and Safety Act, applicable Regulations, applicable Standards and other legal requirements that applies to the work being conducted,
- The Contractor covenants and agrees to observe strictly and faithfully the provisions of the Occupational Health and Safety Act, applicable Regulations, and rules circulated there under together with the Constructor's Health and Safety Policies and Procedures.
- The Constructor agrees to indemnify and save the Township of Ramara harmless for damages or fines arising from any breach or breaches of the

---

said Occupational Health and Safety Act and other applicable legal requirements.

- The Constructor agrees to have a competent supervisor on site at all times when work is in progress, and that this supervisor enforces safe work practices.
- The Constructor shall allow access to the work site on demand to representatives of the Township of Ramara to inspect work sites.
- The Constructor agrees that any damages or fines that may be assessed against the Township of Ramara by reason of a breach or breaches of the Occupational Health and Safety Act and applicable Regulations by the Constructor or any of its sub-contractors will entitle the Township of Ramara to off-set the damages so assessed against any monies that the Township of Ramara may from time to time owe the Constructor under this contract or under any other contract whatsoever.
- Where any portion of the work or services in this Contract is contracted to a sub-contractor, the Constructor agrees that the provisions of this section (**Health & Safety**) will apply to the sub-contractor and the Constructor will enforce said provisions.
- The Township of Ramara may consider previous OHSA violations as grounds for rejection and the Township of Ramara may terminate any contract arising from this document if the Bidder is continuously in violation of OHSA requirements.

Proof of the above may be required by the Township at any time from tendering to project completion.

## **ASSIGNMENT OF CONTRACT**

The Successful Bidder(s) shall not assign transfer, convey, sublet or otherwise dispose of this contract or his/her right, title or interest therein, or his/her power to execute such contract, to any other person, company or City, without the previous consent, in writing, of the Township's officials, which consent shall not be unreasonably withheld.

## **TRAFFIC CONTROL**

The Contractor will be responsible for all traffic control and will supply all traffic control devices as outlined in the Correct Methods for Traffic Control pamphlet issued by the Construction Safety Association of Ontario, and will comply with, Ministry of Transportation and Township Bylaws.

Freshly applied surface treatment shall be protected to prevent vehicles from unnecessarily crossing or stopping. The Contractor shall be fully responsible for any and all damages

---

caused by their operations to public or private property, and shall, at their own cost reinstate fully or compensate all such damages.

## UTILITY LOCATES

### 1. Responsibility

- Prior to commencing any excavation, grading, or construction activities, the Contractor shall be responsible for contacting **Ontario One Call** to obtain locates for all underground and overhead utilities within the project limits.
- The Contractor shall ensure all locates are current and valid prior to beginning work.

### 2. Verification

- The Contractor shall physically verify the location of all utilities and confirm with the utility owner any discrepancies between field conditions and locate drawings.
- The Contractor shall hand-excavate or vacuum-excavate to confirm the exact location of any buried utilities where conflict with the work is suspected.

### 3. Coordination with Utility Owners

- Where relocation, support, or protection of utilities is required, the Contractor shall coordinate directly with the utility owner(s).
- The Contractor shall provide the Contract Administrator with copies of all correspondence and approvals from utility owners prior to commencing work in the affected area.

### 4. Protection of Utilities

- All utilities shall be protected from damage during construction.
- Any damage to utilities caused by the Contractor's operations shall be repaired immediately at the Contractor's expense to the satisfaction of the utility owner and the Municipality.

### 5. Payment

- The cost of obtaining utility locates, coordinating with utility owners, and protecting existing utilities shall be deemed incidental to the work and shall not be paid for separately.

vi. Equipment

All equipment, machines and tools used in the performance of this work shall be maintained in satisfactory condition, with the approval of the General Manager, Development and Infrastructure.

vii. Warranty

The Successful Bidder shall guarantee the work for a period of two years unless notified otherwise, from the date of completion thereof from deficiencies that, in the opinion of the Township were caused by faulty workmanship or materials used.

## **COMPLETION**

The work shall be completed before December 1, 2025.

## **MATERIAL SAFETY DATA SHEETS**

A current material safety data sheet shall be submitted with the Bid Submission.

## **DAMAGE BY VEHICLES AND OTHER EQUIPMENT**

If at any time, in the opinion of the General Manager, Development and Infrastructure or their designate, damage is being done or is likely to be done to any highway or any improvement thereon, other than such portions as are part of the work by the Contractor's vehicles or other equipment whether licensed or unlicensed, the contractor shall, on the direction of the General Manager, Development and Infrastructure and at the Contractor's own expense, make changes in or substitutions for such vehicles or other equipment or shall alter loadings or shall in some other manor remove the cause of such damage to the satisfaction of the General Manager, Development and Infrastructure, including re-routing haul routes.

---

## **LOADING OF MOTOR VEHICLES**

Where a vehicle is hauling material for the use on the specified work, in whole or in part upon a public highway and where motor vehicle registration is required for such vehicle, the contractor shall not cause or permit such vehicle to be loaded beyond its legal limit as specified in the Highway Traffic Act, whether such vehicle is registered in the name of the contractor or otherwise.

## **AWARD OF TENDER**

- 1) The Corporation reserves the right, in its sole discretion, to reject any or all bids, and the lowest or highest bid, as the case may be, will not necessarily be accepted.
- 2) Notwithstanding and without restricting the generality of the statement immediately above, the Township of Ramara shall not be required to award or accept a tender, and may choose to either cancel the call for tenders or recall the tenders at a later date:
  - a) when only one bid has been received as the result of a tender call;
  - b) where the lowest responsive and responsible bidder substantially exceeds the estimated cost of the goods or service;
  - c) when all bids received fail to comply with the specifications of tender terms and conditions;
  - d) when a change in the scope of work or specifications is required.

The award of the tender may take the following into consideration:

- a. Expertise;
- b. Access to equipment possessing the required safety devices to conform to all regulations;
- c. Availability;
- d. Past Performance; and,
- e. Price.

## **HIGHWAY TRAFFIC ACT**

The Bidder(s) of any equipment being used under hire by the Township shall be responsible to ensure the equipment is in full compliance of all statutes of the Highway Traffic Act, R.S.O. 1990.

## **MEASUREMENT AND PAYMENT**

The Hot Mix Asphalt Surface Treatment shall be measured and paid for by the square metre of work completed and accepted as designated by the General Manager, Development and Infrastructure. Payment shall include all costs arising in performing the work including plant, labour, equipment, materials and all other costs, with exception of costs resulting from

---

damage to public or private property by the Contractors operations, as detailed under the Traffic Control section.

Payment at the Tendered price shall be paid upon submission of invoice after completion.

## **HOURS OF WORK**

The Contractor will be allowed to carry out operations only during daylight hours between 7:00 a.m. and 5:00 p.m., Monday through Thursday, except Statutory or Civic Holidays, unless otherwise approved or directed by the General Manager, Development and Infrastructure.

## **TERM OF TENDER**

The term of this tender is for the 2025 Roads Program to be completed prior to December 1, 2025.

## **QUALIFICATIONS**

The Successful Bidder shall be a company of recognized standing at least five (5) years' experience in this type of work and have the necessary equipment and skilled labor to carry out the work adequately.

## **SUB-CONTRACTORS**

### **1. List of Subcontractors**

The Tenderer shall provide with their submission a complete list of all subcontractors proposed to be employed in the performance of the Work, including the nature and scope of each subcontract. The Owner reserves the right to reject any proposed subcontractor and require the Tenderer to substitute an acceptable subcontractor at no additional cost.

### **2. Changes to Subcontractors**

No changes to the list of subcontractors will be permitted without the prior written consent of the Owner. Such consent shall not be unreasonably withheld.

### **3. Responsibility**

The Tenderer acknowledges that they remain fully responsible for the acts and omissions of their subcontractors and for the satisfactory performance of all work, regardless of subcontracting arrangements.

---

#### 4. Submission Form

The Tenderer shall complete the “Subcontractor Information Form” attached to the Form of Tender. Failure to provide the list of subcontractors at the time of tender submission may result in the Tender being declared informal or non-compliant.

### CONDITIONS

It is agreed that the quantities are estimated only and may be increased or decreased by the Township without alteration of the quoted price by 20% of the total bid, actual roads to be completed may change.
