Meet Max

Breed: Shepherd Collie Mix

Age: 3-4 years

Sex: Fixed Male

Information: Max was surrendered to the Township of Ramara and is looking for a new, loving, forever home. He knows his basic commands like sit and lay down but is very limited in his training and is very dependent. Max can be a little nervous around new people but warms up quickly, especially if you are doing something he enjoys, like playing outside. Unfortunately, he doesn't get along very well with other dogs, so we recommend he be the only dog in the house until he can be appropriately socialized. Max is looking forward to meeting you!
