

# COUNCIL HIGHLIGHTS

Committee of the Whole and Special Council - June 1 , 2020

## ROADS UPDATE

Council has advised to install the following signs:

- Reduce the speed limit sign to 60 km along Sideroad 15 and Concession Road 12
- Increase No Parking signs on Bluebird Street
- Increase the size of the stop sign on Laguna Parkway at Poplar Cres in Lagoon City
- Reduce speed limit on the bridge to 15 km/hr
- Install a stop sign upon exiting from the Mews

## LIBRARY SERVICES UPDATE

Council discussed the Library's Reopening plans and due to safety and budgetary concerns, the matter will be reexamined at the June 15, 2020 Committee of the Whole meeting.

## RECREATION & COMMUNITY SERVICES UPDATE

Recreation and Community staff begin preparations for virtual programming and services and in person programming for 2021. Staff are also working on a Community Services Review that is examining community services from a strategic planning perspective in order to see where we are now and help provide direction for the future.

**Next COW meeting is on June 15 at 9:30 a.m.**

## REGULATING USE OF PUBLIC BEACHES

Staff are to provide a report at the next Committee of the Whole on June 15, 2020 to investigate ways of regulating the use of Ramara public beaches with focus on kiteboarders and taking tourism into consideration.

## TRAILS UPDATE

A proposal to extend the trail through Talisker property up to County Road 47 has been verbally agreed upon. This will provide a continuous walking trail for the community and visitors. As well, the proposed trail from the current Ramara Trail, through the Casino, and continuing onto the rail bed in Rama First Nations was discussed and there is a general consensus that an agreement can be reached by Rama First Nations, Casino Rama and the Township.

# COUNTY ROAD 47 WATER AND SEWER SERVICE EXTENSION

Council awarded the tender to Ratcliff Excavating and Grading Inc for the County Road 47 Water and Sewer Service Extension Project for \$313, 834.25 plus taxes.

## DEEMING BYLAW

Council passed a motion that will allow the parcels at 4204, 4196 and 4190 Lakeview Drive to be merged into one lot.

## PLANNING REPORT REGARDING BIOSOLID STORAGE AND APPLICATION CONTROLS

Council received and discussed the report received from EcoVue Consulting regarding Biosolid Storage and Application Controls. Council stated that an amendment to the Zoning Bylaw will be required to include a definition for "bio-solids" and only permit the spreading of bio-solids on Prime Agricultural lands. As well, the Township consults with neighbouring municipalities responsible for land application of bio-solids in Ramara, to implement truck routes, increased set backs and Best Management Practices. As well, to establish a Local Advisory Committee to advise on and address issues or concerns related to bio-solid application and other agricultural operational issues.
