## INSTRUCTIONS TO BIDDERS

### I. DEFINITIONS

The following definitions apply to the interpretation of the Request for Quotation;

1. **“Bidder”** means a person or entity that is submitting a tender in response to the Tender Process.
2. **“Constructor”** means the successful person or company engaged in the construction business.
3. **“Contract”** means an agreement to be signed between the Owner and a successful bidder pursuant to the tender process.
4. **“Contractor”** means the successful bidder pursuant to the tender process that has extended a contract.
5. **“Administrator”** means a person authorized or appointed by the Township to act on behalf of the Owner in any particular capacity.
6. **“Closing Time”** Time and Date of Tenders has the meaning ascribed thereto in section ii of these instructions to bidders.
7. **“OPS”** means the current Ontario Provincial Standards published by the Ontario Standards organization.
8. **“Start Work Order”** means the document in writing, referred to in the tender, form that is issued by the Contract Administrator or the Engineer that authorizes the Contractor to begin the work.
9. **“Tender”** means the tender documents issued by the Owner in respect of a specific opportunity and also refers to the documents submitted by a bidder in response to this tender process.
10. **“Tender Documents”** means the documents listed in section iii of these Instructions to Bidders.
11. **“Work”** means the work to be performed by a Contractor pursuant to a Contract issued as a result of this tender as described in the Contract Documents and includes, but is not limited to, the work generally described in Section ii of these Instructions to Bidders.
12. **“Director of Infrastructure”** means the Director of Infrastructure for the Township of Ramara or such other person, partnership or corporation as may be authorized by the Council to act on their behalf in any particular capacity.

**ii. GENERAL OVERVIEW**

**1. SCOPE**

The supply and application of specified granular material to various roads throughout the Township of Ramara.

**2. FORM OF QUOTE**

All quotations must be on the forms provided, clearly marked with “Gravel”

**3. QUOTATION DEPOSIT**

The Tenderer agrees to submit a Certified Cheque or Bid Bond in the amount of 10% of the Tender Price with this Tender to the Township. This Certified Cheque or Bid Bond shall be returned no later than 60 days after date of closing unless this Tender is accepted, in which case, this Certified Cheque or Bid Bond shall be held in safekeeping by the Township until such time as the Township accepts the work and any warranty periods have expired

The Successful Tenderer also agrees to submit to the Township a Performance Bond of said contract in the amount of 100% of the Tender Price upon Township acceptance of the tender.

**4. FREEDOM OF INFORMATION**

All submissions to the Township become the property of the Township and such are subject to the *“Municipal Freedom of Information and Protection of Privacy Act.”*

**5. BRIBERY/FRAUD**

Should any bidder or any of their agents give or offer any gratuity or attempt to bribe any employee of The Township, or to commit fraud, the Township shall be at liberty to cancel the prospective bidder’s submission or contract.

**6. PURCHASING PREFERENCE**

No preference will be given to any business for goods and/or services provided to the Township

**7. INSURANCE**

The Successful bidder(s) shall maintain and pay for Comprehensive General Liability Insurance with an insurer acceptable to the Township. The coverage shall include premises and all operations liability to be performed by the bidder. This insurance coverage shall be subject to limits of not less than **Five Million Dollars (\$5,000,000.00)** inclusive **per occurrence** for bodily injury, death and damage to property including loss of use thereof for any one occurrence.

The policy shall include **The Corporation of the Township of Ramara** as an additional insured in respect of all operations performed by or on behalf of the Bidder. The Bidder(s) shall be entirely responsible for the cost of any deductible that is maintained in any insurance document.

The Insurance Policy shall not be altered, canceled or allowed to expire or lapse, without thirty (30) days prior written notice to the Township.

The Liability Insurance shall not contain any exclusion or limitations in respect of shoring, underpinning, rising or demolition of any building or structure, pile driving, caisson work, collapse of any structure or land from any cause.

Where applicable the bidder(s) shall carry standard automobile and non-owned automobile liability insurance and shall protect them against all liability arising out of the use of owned or leased vehicles, used by the Bidder(s), its employees or agents. The limits of the liability for both owned and non-owned vehicles shall not be less than **Two Million Dollars (\$2,000,000.00)** per occurrence.

## **8. WORKPLACE SAFETY AND INSURANCE BOARD (WSIB)**

The successful bidder(s) shall supply a Certificate from the Workplace Safety and Insurance Board prior to the start of the contract indicating that all of the assessments the bidder(s) or subcontractor(s) is liable to pay under *Worker's Safety Insurance Board Act* or successor legislation have been paid and they are in good standing with the Board.

Effective January 1 2013, Bill 119 legislates that all Contractors and Sub-Contractors categorized under class G: construction, shall have WSIB account and clearance coverage prior to commencing any contract.

Alternatively, if the successful Bidder(s) is an Independent Operator and is not categorized under Class G: Construction, the Bidder(s) shall submit a letter, from the WSIB, confirming that s/he has Independent Operator Status under the WSIB Act for work to be carried out for the Township of Ramara. If the Bidder(s) does not have Independent Operator Status, the Bidder shall;

- I. Complete an Independent Operator Status Questionnaire upon being awarded the contract; and,
- II. Fund all costs associated with any appeal of a determination by WSIB that the Bidder is not an Independent Operator; and,
- III. Provide proof of Employer's Liability Insurance (provided either by WSIB or the Contractor's insurance provider.

The Bidder(s) acknowledges and agrees that the Township is not hiring an employee(s) to perform the work associated with this Tender. As such, the Township reserves the right to terminate all Contracts associated with this Tender if all appeals have been exhausted and the bidder(s) are determined by WSIB, court, or tribunal of competent jurisdiction to be an employee. Any and all monies to be paid to the bidder(s) shall be returned regardless of the extent of work that has been completed to that point, and all material and documents associated with the Tender, as well as Township property, shall be returned to the Township. The bidder(s) acknowledges and agrees that any work completed to the date the appeal process has been completed, and an unfavorable determination is made will be provided to the Township for free and without any expectation of compensation. The risk associated with completing any work while there is an appeal process underway is entirely born by the bidder(s).

## **9. ACCESSIBILITY**

The Bidder(s) shall comply with the provisions of the *Accessibility for Ontarians with Disabilities Act 2005*, S.O. 2005, chapter 11 and the Regulations with regard to provision of the goods and/or services contemplated herein, including, without limitation, section 6 of Ontario Regulation 429/07, Accessibility Standards for Customer Service, as amended. The Bidder(s), when applicable, shall ensure that its employees, agents, volunteers and representatives receive training regarding the provision of the goods and services to person with disabilities. The Bidder(s) acknowledges that the Corporation of the Township of Ramara, in deciding to purchase goods or services through its procurement process, is required to consider the accessibility for persons with disabilities, when applicable and practical to do so.

## **10. HEALTH & SAFETY**

All work performed under this contract must be carried out in accordance with the terms and conditions of the Ontario Occupational Health and Safety Act (OHSA or the Act), applicable Regulations, applicable standards, and other applicable legal requirements.

Unless otherwise stated, the successful bidder, for the purposes of the Act, shall be designated as the 'Constructor' for this project. The constructor has complete control of the work on behalf of the Township and is responsible for regulatory compliance and safe work procedures on the job site.

Any requirement for a Notice of Project to be submitted to the Ministry of Labour (MOL) is the sole responsibility of the constructor.

The Constructor further acknowledges and agrees that any breach or breaches of the Occupational Health and Safety Act, applicable Regulations, Standards, Environmental Protection Act, other legal requirements, and/or their own Health & Safety Policies and Procedures whether by the Constructor or any of its subcontractors may result in:

- The termination of the contract,

- The immediate removal of the Constructor and/or sub-contractor's equipment from the site,
- The forfeiture of all sums owing the constructor/or sub-contractor by the Township Of Ramara

The Constructor's health and safety responsibilities will include the following:

- where hazardous materials, physical agents and/or designated substances are used in the performance of the required work, the successful bidder shall ensure that the requirements of the Occupational Health and Safety Act, applicable Regulations and environmental requirements are complied with,
- ensure workers are aware of the hazardous substances that may be in used at the workplace,
- ensure workers are provided with and wear the appropriate personal protective equipment required for the area when engineering controls aren't practicable,
- demonstrate the establishment and maintenance of health and safety program, with objectives and standards and will provide qualified workers and meet all applicable legislation,
- The Constructor acknowledges that they are familiar with the Occupational Health and Safety Act, applicable Regulations, applicable Standards and other legal requirements that applies to the work being conducted,
- The Contractor covenants and agrees to observe strictly and faithfully the provisions of the Occupational Health and Safety Act, applicable Regulations, and rules circulated there under together with the Constructor's Health and Safety Policies and Procedures.
- The Constructor agrees to indemnify and save the Township of Ramara harmless for damages or fines arising from any breach or breaches of the said Occupational Health and Safety Act and other applicable legal requirements.
- The Constructor agrees to have a competent supervisor on site at all times when work is in progress, and that this supervisor enforces safe work practices.
- The Constructor shall allow access to the work site on demand to representatives of the Township of Ramara to inspect work sites.
- The Constructor agrees that any damages or fines that may be assessed against the Township of Ramara by reason of a breach or breaches of the Occupational Health and Safety Act and applicable Regulations by the Constructor or any of its sub-contractors will entitle the Township of Ramara to off-set the damages so assessed against any monies that the

Township of Ramara may from time to time owe the Constructor under this contract or under any other contract whatsoever.

- Where any portion of the work or services in this Contract is contracted to a sub-contractor, the Constructor agrees that the provisions of this section (**10. Health & Safety**) will apply to the subcontractor and the Constructor will enforce said provisions.
- The Township of Ramara may consider previous OHSA violations as grounds for rejection and the Township of Ramara may terminate any contract arising from this document if the Bidder is continuously in violation of OHSA requirements.

Proof of the above may be required by the Township at any time from tendering to project completion.

## **11. PAYMENT**

Payment at the contract price shall be compensation in full for the supply of all labor, equipment and materials necessary to complete the work to the satisfaction of the Director of Infrastructure.

## **12. ASSIGNMENT OF CONTRACT**

The successful Bidder(s) shall not assign transfer, convey, sublet or otherwise dispose of this contract or his/her right, title or interest therein, or his/her power to execute such contract, to any other person, company or City, without the previous consent, in writing, of the Township's officials, which consent shall not be unreasonably withheld.

## **13. SPECIFICATIONS FOR GRANULAR MATERIALS**

### **Description:**

This specification covers the Township's requirements for supplying and/or hauling and/or placing and spreading.

### **Materials:**

Aggregates shall consist of hard; uncoated cubical fragments produced from rock or boulders of uniform quality and shall be free from lumps of clay. Materials shall be subject to sampling and testing by the Director of Infrastructure at all times. Aggregates shall satisfy the requirements of the Provincial Standard Specification 1010, Table 1 Physical Property Requirements, and Table 2 Gradation Requirements. Materials that fail to meet minimum requirements will be rejected.

### **LIMESTONE WILL NOT BE ACCEPTED.**

### **Measurement for Payment:**

Measurement for payment of granular materials will include only those materials incorporated into the work and accepted by the Director of Infrastructure.

**Tonnage Measurement:**

The contractor requires payment by the tonne supplied and by the tonne per km hauled for material applied on Township roads.

**14. SPECIFICATIONS**

- a. Trucks to be used must be bottom dump hoppers with cab control in working order for spreading.
- b. A minimum of 1,500 tonnes per day must be spread.
- c. The Township reserves the right to check weights at any time.
- d. Spreading to be completed at one area before beginning spreading at another area.
- e. Material to be spread on various roads throughout the Township as directed by the Director of Infrastructure or her designate.

**15. MATERIAL SAFETY DATA SHEETS**

A current **SAFETY DATA SHEET** is to be submitted with the quotation.

**16. COMPLETION.**

The deadline of completion is June 27<sup>th</sup> 2021, with an anticipated start date any time after May 25<sup>th</sup> 2021.

**17. WEIGHING**

Weighing shall be carried out in accordance with the Ministry of Transportation Form 502, current at the time of this quotation. Copies of MTO Form 502 are available upon request from the MTO District office.

**18. DAMAGE BY VEHICLES AND OTHER EQUIPMENT**

If at any time, in the opinion of the Director of Infrastructure or her designate, damage is being done or is likely to be done to any highway or any improvement thereon, other than such portions as are part of the work by the Contractor's vehicles or other equipment whether licensed or unlicensed, the contractor shall, on the direction of the Director of Infrastructure and at the Contractor's own expense, make changes in or substitutions for such vehicles or other equipment or shall alter loadings or shall in some other manor remove the cause of such damage to the satisfaction of the Director of Infrastructure, including re-routing haul routes.

**19. LOADING OF MOTOR VEHICLES**

Where a vehicle is hauling material for the use on the specified work, in whole or in part upon a public highway and where motor vehicle registration is required for such vehicle, the contractor shall not cause or permit such vehicle to be loaded beyond its legal limit as specified in the Highway Traffic Act, whether such vehicle is registered in the name of the contractor or otherwise.

## **20. AWARD OF QUOTATION**

The award of the tender will take the following into consideration:

- a. Expertise;
- b. Access to equipment possessing the required safety devices to conform to all regulations
- c. Availability;
- d. Reliability;
- e. Past Performance; and,
- f. Price.

## **21. HIGHWAY TRAFFIC ACT**

The Bidder(s) of any equipment being used under hire by the Township shall be responsible to ensure the equipment is in full compliance of all statues of the Highway Traffic Act, R.S.O. 1990.

## **22. PRICING AND PAYMENT**

Payment at the quoted price shall be paid upon submission of invoice after completion.

## **23. BASIS OF PAYMENT – GRANULAR MATERIALS**

Payment at the quoted price shall be compensation in full for performing the work specified the quotation item and for the supply of all labor, equipment and material, except as otherwise provided, necessary to complete the work to the satisfaction of the Director of Infrastructure

## **24. HOURS OF WORK**

Spreading will only take place between the hours of 7:00 am and 3:00 pm., Monday to Thursday, at the discretion of the Director of Infrastructure, or her designate. If the Contractor wishes to extend the normal working hours, all overtime expenses incurred by the Township will be reimbursed by the Contractor.

## **25. TERM OF QUOTATION**

The term of this quotation will be for the 2021 gravel roads program.

## **26. QUALIFICATIONS**

The successful Bidder shall be a company of recognized standing at least five (5) years' experience in this type of work and have the necessary equipment and skilled labor to carry out the work adequately.

## **27. CONDITIONS**

The Contractor has carefully examined the provisions, plans, specifications and conditions attached to this quotation and had carefully examined the site and location of the work to be done and the Contractor understands and accepts the said provisions, plans, specifications and conditions and, for the prices set forth in this tender, hereby offers to furnish all machinery, tools, apparatus and other means of construction, furnish all materials except as otherwise specified and to complete work in strict accordance with the provisions, plans, specifications and conditions attached to this quotation.

Attached to this quotation is a Certified Cheque or Bid Bond in the amount specified in section i.i. general overview subsection # 3 quotation deposit made payable to The Township of Ramara. The proceeds of the Cheque / Bond shall, upon acceptance of this quotation, constitute a deposit which shall be forfeited to the Township if the Contractor fails to file with the Township an executed form of agreement for the performance of the work prepared by the Township in accordance with this quotation and the provisions, plans, specifications and conditions attached hereto within ten (10) days from the date of Acceptance of Quotation.

It is agreed that the quoted quantities are estimated only and may be increased or decreased by the Township without alteration of the quoted price; however, such increase or decrease shall not exceed 20%.

## **28. SUBMISSION FORMAT & CONTENTS**

### **28.1 GENERAL FORMAT OF SUBMISSION**

The Township **will not** accept any other format of the schedule I items Prices other than that provided within this Request for Quotation. Schedule I items and Prices are to be completed **in full** as provided in this document with no modifications, additions or deletions. **Failure to complete Schedule I as stipulated may result in disqualification of the bid submission.**

### **28.2 CONTENTS OF SUBMISSION**

The Request for Quotation response submission should include the following information only and shall be submitted in the same sequence provided:

- I. Completed Bidder Information Form**
- II. Operator Experience.**
- III. Health and Safety:**
  - a. Provide a current and valid certificate of clearance from WSIB
  - b. Provide a current MSDS Sheet for all products quoted
- IV. Provide all mandatory information as requested within Schedule I**
- V. Ensure Schedule I is initialed and dated.**
- VI. Completed Schedule II – Ability and Experience Form.**
- VII. Provide a completed Declaration of Accessibility Compliance Form.**

**TABLE 1****PHYSICAL PROPERTY REQUIREMENTS**

<b>MTO LABORATORY TEST and NUMBER</b>	<b>Granular O</b>	<b>Granular A</b>	<b>Granular S</b>	<b>Granular B Type I and Type III</b>	<b>Granular B Type II</b>	<b>Granular M</b>	<b>Select Subgrade Material</b>
