

# Minor Variance/Permission Fillable Form

Please upload this supplementary form to Citywide as part of the complete Planning Application Submission.

## **Minor Variance/Permission Table:**

- All applicable figures must be entered in the table below using metric units (metres, m<sup>2</sup>, or hectares).

Zoning Standard	Zoning Provision (Section #)	Required Figure	Proposed Figure	Relief Needed
Front Yard Setback				
Exterior Side Yard Setback (N/S/E/W)				
Interior Side Yard Setback (N/S/E/W)				
Rear Yard				
Average Highwater Mark				
% of Lot Coverage				
Building Height				
Lot Area				
Lot Frontage				
Other (specify):				
Other (specify):				

## **Table Key:**

- **Zoning Standard:** Select the specific provision(s) from the Zoning Bylaw that your proposal does not meet. Example: "Front Yard Setback," "Building Height," "Lot Coverage."
- **Zoning Provision:** Provide the exact section number of the Zoning Bylaw that establishes the requirement.
- **Required Figure:** Provide the number required by the Zoning By-law (setbacks/height/required yard/change of use).
- **Proposed Figure:** Provide what your plan is proposing instead (setbacks/height/required yard/change of use).
- **Relief Needed:** Provide the difference between the required figure and proposed figure.
