Deadline for Addenda: April 2, 2026

Closing Date: April 7, 2026

Anticipated Award: April 10, 2026

3. FORM OF QUOTE

All quotations must be on the forms provided, clearly marked with “Lagoon City Grass Cutting”

4. FREEDOM OF INFORMATION

All submissions to the Township become the property of the Township and such are subject to the *“Municipal Freedom of Information and Protection of Privacy Act.”*

5. BRIBERY/FRAUD

Should any bidder or any of their agents give or offer any gratuity or attempt to bribe any employee of the Township, or to commit fraud, the Township shall be at liberty to cancel the prospective bidder’s submission or contract.

6. PURCHASING PREFERENCE

No preference will be given to any business for goods and/or services provided to the Township and/or Commission.

7. INSURANCE

The Successful bidder(s) shall maintain and pay for Comprehensive General Liability Insurance with an insurer acceptable to the Township. The coverage shall include premises and all operations liability to be performed by the bidder. This insurance coverage shall be subject to limits of not less than **Five Million Dollars (\$5,000,000.00)** inclusive **per occurrence** for bodily injury, death and damage to property including loss of use thereof for any one occurrence.

The policy shall include **the Corporation of the Township of Ramara and the Lagoon City Parks and Waterways Commission** as an additional insured in respect of all operations performed by or on behalf of the Bidder.

The Bidder(s) shall be entirely responsible for the cost of any deductible that is maintained in any insurance document.

The Insurance Policy shall not be altered, canceled or allowed to expire or lapse, without thirty (30) days prior written notice to the Township.

The Liability Insurance shall not contain any exclusion of limitations in respect of shoring, underpinning, rising or demolition of any building or structure, pile driving, caisson work, collapse of any structure or land from any cause.

Where applicable the bidder(s) shall carry standard automobile and non-owned automobile liability insurance and shall protect them against all liability arising out of the use of owned or leased vehicles, used by the Bidder(s), its employees or agents. The limits of the liability for both owned and non-owned vehicles shall not be less than **Two Million Dollars (\$2,000,000.00)** per occurrence.

8. WORKPLACE SAFETY AND INSURANCE BOARD (WSIB)

The successful bidder(s) shall supply a Certificate from the WSIB prior to the start of the contract indicating that all of the assessments the bidder(s) or subcontractor(s) is liable to pay under *Workplace Safety Insurance Board Act* or successor legislation have been paid and they are in good standing with the Board.

Effective January 1, 2013, Bill 119 legislates that all Contractors and Sub-Contractors categorized under class G: construction, shall have WSIB account and clearance coverage prior to commencing any contract.

Alternatively, if the successful Bidder(s) is an Independent Operator and is not categorized under Class G: Construction, the Bidder(s) shall submit a letter, from the WSIB, confirming that s/he has Independent Operator Status under the WSIB Act for work to be carried out for the Township. If the Bidder(s) does not have Independent Operator Status, the Bidder shall;

- I. Complete an Independent Operator Status Questionnaire upon being awarded the contract; and,
- II. Fund all costs associated with any appeal of a determination by WSIB that the Bidder is not an Independent Operator; and,
- III. Provide proof of Employer's Liability Insurance (provided either by WSIB or the Contractor's insurance provider).

The Bidder(s) acknowledges and agrees that the Township is not hiring an employee(s) to perform the work associated with this Tender. As such the Township reserves the right to terminate all Contracts associated with this Tender if all appeals have been exhausted and the bidder(s) are determined by WSIB or court or tribunal of competent jurisdiction to be an employee. Any and all monies to be paid to the bidder(s) shall be returned regardless of the extent of work that has been completed to that point, and all material and documents associated with the Tender, as well as Township property, shall be returned to the Township. The bidder(s) acknowledges and agrees that any work completed to the date the appeal process has been completed, and an unfavorable determination is made will be provided to the Township for free and without any expectation of compensation. The risk associated with completing any work while there is an appeal process underway is entirely born by the bidder(s).

9. TRAFFIC CONTROL

No work shall be carried out on Township roadways.

10. UNDERGROUND LOCATES

It is the Contractor's responsibility to obtain underground locates if required.

11. ACCESSIBILITY

The Bidder(s) shall comply with the *Accessibility for Ontarians with Disabilities Act, 2005 (AODA)* and all applicable regulations, including the *Integrated Accessibility Standards Regulation*, O. Reg. 191/11, as amended. The Bidder(s) shall ensure that its employees, agents, volunteers, and representatives receive accessibility training required under the AODA and its regulations, including training on providing goods and services to persons with disabilities. The Bidder(s) acknowledges that the Corporation of the Township of Ramara, when procuring goods or services, is required to consider accessibility for persons with disabilities where practicable.

12. HEALTH & SAFETY

All work performed under this contract must be carried out in accordance with the terms and conditions of the Ontario Occupational Health and Safety Act (OHS),

applicable Regulations, applicable standards, and other applicable legal requirements.

Unless otherwise stated, the successful bidder, for the purposes of the OHSA, shall be designated as the 'Constructor' for this project. The constructor has complete control of the work on behalf of the Township and is responsible for regulatory compliance and safe work procedures on the job site.

Any requirement for a Notice of Project to be submitted to the Ministry of Labour (MOL) is the sole responsibility of the constructor.

The Constructor further acknowledges and agrees that any breach or breaches of the OHSA, applicable Regulations, Standards, *Environmental Protection Act* (EPA), other legal requirements, and/or their own Health & Safety Policies and Procedures whether by the Constructor or any of its subcontractors may result in:

- The termination of the contract.
- The immediate removal of the Constructor and/or sub-contractor's equipment from the site.
- The forfeiture of all sums owing the constructor/or sub-contractor by the Township.

The Constructor's health and safety responsibilities will include the following:

- where hazardous materials, physical agents and/or designated substances are used in the performance of the required work, the successful bidder shall ensure that the requirements of the OHSA, applicable Regulations and environmental requirements are complied with.
- ensure workers are aware of the hazardous substances that may be in used at the workplace.
- ensure workers are provided with and wear the appropriate personal protective equipment required for the area when engineering controls aren't practicable.
- demonstrate the establishment and maintenance of health and safety program, with objectives and standards and will provide qualified workers and meet all applicable legislation.
- The Constructor acknowledges that they are familiar with the OHSA, applicable Regulations, applicable Standards and other legal requirements that applies to the work being conducted.
- The Contractor covenants and agrees to observe strictly and faithfully the provisions of the OHSA, applicable Regulations, and rules circulated there under together with the Constructor's Health and Safety Policies and Procedures.
- The Constructor agrees to indemnify and save the Township harmless for damages or fines arising from any breach or breaches of the said OHSA and other applicable legal requirements.

- The Constructor agrees to have a competent supervisor on site at all times when work is in progress, and that this supervisor enforces safe work practices.
- The Constructor shall allow access to the work site on demand to representatives of the Township to inspect work sites.
- The Constructor agrees that any damages or fines that may be assessed against the Township by reason of a breach or breaches of the OSHA and applicable Regulations by the Constructor or any of its sub-contractors will entitle the Township of Ramara to off-set the damages so assessed against any monies that the Township of Ramara may from time to time owe the Constructor under this contract or under any other contract whatsoever.
- Where any portion of the work or services in this Contract is contracted to a sub-contractor, the Constructor agrees that the provisions of this section (**12. Health & Safety**) will apply to the subcontractor and the Constructor will enforce said provisions.
- The Township may consider previous OSHA violations as grounds for rejection and the Township may terminate any contract arising from this document if the Bidder is continuously in violation of OSHA requirements.

Proof of the above may be required by the Township at any time from tendering to project completion.

13. ASSIGNMENT OF CONTRACT

The successful Bidder(s) shall not assign transfer, convoy, sublet or otherwise dispose of this contract or his/her right, title or interest therein, or his/her power to execute such contract, to any other person, company or City, without the previous consent, in writing, of the Township's officials, which consent shall not be unreasonably withheld.
