

Shape Ramara

Your voice.
Your community.
Your future.

Let's build
a **Ramara**
we all love. 

Help shape the future of Ramara.

You're Invited to an Open House!

July 22, 2026 from 6 to 9 p.m.
Township Administration Building,
2297 Highway 12, Brechin

The Township of Ramara is updating its Zoning By-law, which guides how land can be used and developed in our community.

A new Zoning By-law is required to ensure it aligns with local, County, and Provincial policy, and implements the policies of the Township's new Official Plan, which was approved by the County of Simcoe on February 24, 2026.

The Township is hosting an in-person Open House to provide an opportunity to learn more about this project and gather your input.

What to Expect:

The Introductory Open House is the first engagement event and will provide an overview of the project. It will be an informal session featuring display boards with current zoning maps, current Zoning By-law and a summary of the Zoning By-law update project. Attendees will have the opportunity to speak directly with the project team, ask questions, raise concerns, and seek clarification about the Zoning By-law and the update process.

Feedback gathered during this engagement will help inform the background report for the Zoning By-law update, which will assist in shaping the first draft of the new Zoning By-law.

What if I can't attend?

If you are unable to attend the Open House, please visit the project page using the link below to learn more, view supporting documents, and review the project timeline and reports. If you would like to schedule a call or have any questions, please email ZoningUpdate@ramara.ca.

This is the first Open House and provides an introduction to the project. A second Open House will be held once the first draft of the new Zoning By-law is prepared to gather additional public input.

Please note that comments may not be responded to individually; however, all submissions will be collected and reviewed by Township staff and the Township's consultant, D.M. Wills Associates Ltd., for consideration in the final Comprehensive Zoning By-law and recommendations to Council. The content of submissions, including any personal information, will become part of the public record and may be included in Council agenda materials available to the public. **A Key Map is not provided as this update is applicable to all lands within Ramara Township.**
